

2018-19 REGIONAL P3 WORKSHOP SERIES
Day Three, Wednesday, February 27, 2019
Ralph Engelstad Arena, 525 Brooks Ave, Thief River Falls

Day Three: Maximizing Your Resources and Building Your P3 Plan

Day Three Goal: Teams collaborate and practice designing a P3 program or system by utilizing the concepts, data, and work used throughout the series.

AGENDA

Time Activity/Result

10:00 Welcome, Introductions, and Overview - MDE Team 3

Result: Participants understand the purpose and goals of Day 3.

10:15 Review Key Components of Days 1 and 2

Result: Facilitators and participants review and discuss key concepts and information from Days 1 and 2. Participants share highlights of their discussions and understandings of P3.

Teams: What were your key takeaways from Days 1 and 2? How has it, or how will it, impact your work?

10:45 Activity #1: Focusing Direction

Result: Utilizing information and data gathered from their districts/communities, teams identify what is most important to their work. Teams start to focus the direction of their P3 work.

Teams: What data is the most important to your work? What are strengths and priorities in your district/community? What is needed in your community to improve child outcomes? How will the focusing direction elements impact your work?

11:15 Program Design and Essential Partnerships

Result: Participants learn about and discuss ways of working toward P3 system quality, expansion, and penetration.

12:00 Lunch

12:20 Blending and Braiding Funds to Support your P3 Work

Result: Teams learn about the P3 Planning and Budgeting Tool, including the 15 essential elements of high-quality. Teams examine current and potential revenue sources. Teams explore costs associated with their P3 work.

Teams: What are your known sources of revenue? What is your current programming and what would your ideal system look like? What are estimated costs of your current versus ideal system? What costs could be reduced through in-kind support and/or partnerships?

1:30 Activity #2: P3 Program/System Design

Result: Teams work to depict their P3 goals, minimally addressing Goal #1 of the workshop. Teams work on their posters to prepare for gallery walk.

2:00 Activity #3: Gallery Walk

Result: Participants view and discuss their P3 work and plans with other participants and teams.

2:40 Team Sharing with Large Group

Result: Teams share with large group by summarizing their work.
