

Next Steps – Goal Setting - Guiding Questions

Establish a Leadership Team:

Who should be on the team?

Is everyone at the table today?

Who will take the lead on getting everyone to the table?

What is the deadline for creating the team and setting a leadership meeting?

Assess Needs and Set Priorities:

What information do we have?

What information do we need?

What can we tackle first?

Facilitator?

By when?

Select Strategies and Create Plan:

What are our goals?

What strategies are we already using that can assist in our goal?

What strategies are getting in the way?

Where are the gaps?

How do we communicate to stakeholders?

Implement the Plan and Get Better:

What are we doing?

What's going well?

What isn't going well?

How do we know?

What are the next steps?
