

PreK-3rd Grade Implementation: Mapping Activity for Session 3

Leadership	Professional Practice (competencies)	PreK-3 Systems
How can I promote and support constructivist learning?	How are we helping children acquire skills, create meaning, and construct new knowledge?	How does our system ensure the health, safety, and wellness of young children?*
How can I/we facilitate the appropriate use of technology in early learning environments?*	What is our learning community doing to understand the individual needs of each child?	How can we leverage technology to create and foster school-home engagement?
How can we build digital literacy skills among the adults in our learning community?	How do teachers integrate old and new technologies and tools to promote learning?*	How does our system support teachers in their use of technology?
